BLUE KNIGHTS PLEDGE: As a Blue Knight, I pledge to act with honor and pride to promote motorcycling and motorcycle safety by being an example of the safe use, operation and enjoyment of motorcycles. I will work at all times to improve the relationship between the motorcycling law enforcement community and the general public. The fraternal spirit will always guide me in relating to other Blue Knights.

Chairman: Myron Joseph, NY IX

Greetings and salutations my fellow BK sisters and brothers, The 50th Anniversary convention was a hit in my book, the committee did an excellent job in putting it together. The committee put several years into planning the convention, so all would enjoy themselves and one that will be remembered for years to come. They had no control of the weather while we were there, but many did ride and got to see Maine and the beauty it has to offer.

Electric companies built the dam on what used to be the Dead River. This flooded the town of Flagstaff, as well as a few other small towns. In pursuit of hydroelectric power generation, the Lake as we see it today was formed. There are a few books out there that tell the tales more in depth if you are a reader. The short story is as above... Flagstaff Lake was formed by corporate greed. The townspeople's offspring are still around the general area and have a great deal of information as to what it was like when they cleared and burned the land and flooded the small-town communities to make Flagstaff Lake. The breathtaking views of Sugarloaf and the Appalachian Mountains, Carrabassett valley and Moosehead Lake.

I with others were able to take a Zip-line adventure on Sugarloaf. We also made it down to Bangor to visit the International Office and receive our official 50th Anniversary International office pin. Eagles Nest restaurant was our choice for lunch to have a scrumptious Lobster roll overflowing with delicious lobster.

Our own International representative Russ Harper was honored by Northern America International Vice President Cal Ennals, and the International Board of Directors for his 27 Years as President of the Blue Knights COPSRUN. Over the years BK COPSRUN has donated hundreds of thousands of dollars to the National Concerns of Police Survivors in the name of the Blue Knights LEMC.

BK NY IX members Thomas Alemany and Margie Lebron-Shier were part of the international parade of flags during the opening ceremony at the banquet, Thursday night.

BK NY VII member Tony Cuccia was recognized for being the oldest member to ride to the convention. BK NY X members Lou & Janice Sofia had an accident while riding and received some injuries. Both are back home resting, please keep them in your prayers for a full speedy healthy recovery.

On a sad note, we did have one member transfer to Heaven 1, Thomas Sing FL XVII during the convention. My most heartfelt condolences to the Sing BK family and friends, please keep them in your prayers.

It was awesome to see ole friends and make some new friends.

Belgium is next, don't waste any time, make your reservations sooner than later. It appears all the hotel rooms have been taken.

I am happy to say that there will be a **2024 TSC Fall President's weekend** the first weekend in October (Oct 04 – 06, 2024), instead of the Columbus Day weekend.

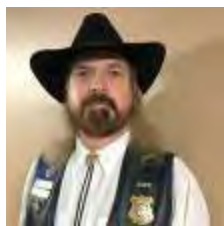

The BOG results are in Mark Howard TN III, is the new Chairman, Andreas "Schlagi" Hohendorf – GER V, remains the Vice Chairman, Secretary Pamela McClaren, and treasurer Michael Rickard.

The newsletter is yours so remember to send your articles to our TSC Secretary, Joe DeFelice, by the 25th of the month. Whether it's one sentence or a dissertation, we want it along with a flyer. Please say something about your future events so it may be included in the newsletter under your chapter contact information.

Please remember we have a website and FB page for all to view and add information at any time. Don Parker (dapnyiv@yahoo.com) is our website administrator and Teresa Hartley along with all Board Member are FB administrators.

Until I see you or I prepare my next message, stay safe and healthy.

Vice-Chairman: Lon Strayer, PA XII

Greetings to all my Brothers and Sisters

July has been an eventful month for me. Pennsylvania chapter 12 turned 40 years old in June. On July 2nd Jackie and I hosted a 40th anniversary party for the chapter. Each chapter member contributed food or drink. We had 18 members and guests and spent hours reminiscing and sharing many albums full of photos from our past.

After the party was cleaned up and put away we focused on preparing for the ride to Carrabassett Valley Maine for the 50th annual Blue Knights International convention. We left home on Saturday July 20th for the two day motorcycle ride to Maine. We spent Saturday night in Vermont and arrived at the convention on Sunday July 21st. I spent all day Monday in meetings. First the Board of Governors meeting and then the International Board of Directors meeting. Tuesday through Thursday were very rainy days so most of the rides and events were canceled. On Wednesday we did ride to the International office in Bangor Maine. Thursday night was banquet night with great food and camaraderie. We left Friday July 26th and again spent the night in Vermont arriving at home on Saturday afternoon July 27th. We rode a total on 1358 miles with no problems or incidents.

Our next ride will be to Ocean City Bike Week on September 12th through the 15th.

Safe travels to everyone for the rest of the summer.

Secretary: Joe DeFelice, NY I

Greetings Fellow Blue Knight's

I hope everyone is having a safe and wonderful riding season so far.

Sorry That the newsletter is late this month, but between going to the 50th Anniversary convention and all the Board traveling thing are running a slow. Speaking of the 50th Anniversary convention, a great time was had by all and the committee did an outstanding job.

This year will be the Tri-State Conference elections. If you are interested in running for any Board position, please submit to me via email a letter of intent. This email must be submitted no later than **July 12, 2024**. I will answer your email which will be your receipt.

If you have any item to be put into the newsletter, please send it to me and not to any other Board member. This will save a lot of time. By the time you send the information to another Board member and they send it to me your Chapter event could be over. So, to make sure we do not miss your event, please send it directly to me. Thank you. Also send your item either in a word doc, PDF file, or a jpeg file. This will make it easier for me to save and input the files in the newsletter.

Until next time, keep the shiny side up and the rubber on the road.

Ride With Pride

Treasurer: Gus Faella, NJ XI

New York State Rep, Central, West: Keith Lipsey , NY XVIII

Dear Blue Knights & Families of New York,

Greetings Blue Knight NY families and all TSC Chapters we share with PA and NJ, Fran and I have had an exciting past month in our retirement chapter of life. We have been actively looking for a getaway place to snowbird for our Blue Knight riding experiences. We secured a location in Oak Island, NC. Well, with regular plane flights and riding new radiuses, we have met some new Blue Knight families in NC XVII. On July 17th, I was privileged to attend NC XVII's monthly meeting in Wilmington, NC. There, I shared time with 2 familiar faces, one being Deb Genari, originally from NY I and the other, Michael Romero President of FL XXXVI. Michael was in town, on his way to International in Maine. On July 19th, I met up with them and Gary Pizer, his bride, and our TSC Chairman, Myron Joseph, to see them off as they head to the Blue Knights International 50th Anniversary Convention at Sugar Loaf, Carrabassett Valley, Maine. I was unable to attend this once in a lifetime event and are following y'all on Facebook with the yearning to be there with you. On Saturday, July 20th, I attended the Poker Run sponsored by New River Harley Davidson in New River, NC with the rest of NC XVII members. There were approximately 20 of us Blue Knights supporting this Fundraiser. I won the best hand with 2 pair, aces high, and took home a fresh \$100 bill which will be going to the cause of the said Fundraiser. I put on 277 miles that day and experienced a plethora of new roads. I have been able to share some great times with Keith Rosario and Adrian Maldonado, who both spent some 15 plus years in NY XVIII while in NY, Adrian with his last few years in NY XX, before both moved and transferred membership to NC XVII.

In a different realm, I picked up a parttime School Resource Officer assignment, working in the Horry County School District, Little River, SC. I am learning some new laws and southern procedures that are quite interesting you might say. On the range, to my surprise, I scored a 92, whereby the minimum here is 90 for working in the public-school setting. I am sure there were Angels down the range (like Angels in the Outfield).

By the time you read this, the International 50th Anniversary Celebration will be over, and I cannot wait to hear the stories when I get back home to NY. I hope all of you who were able to attend, had safe travels and met some new International Blue Knight friends, making memories, never to be forgotten.

I want to send out a BIG Thank You to NY XX's Past President, Daniel Cabrera for being an ambassador of sorts, as he attended Blue Knights Colombia's 1st Anniversary Celebration. He didn't stop there. No, he hosted their arrival and time spent visiting the Hudson Valley NY as they came to the USA for the International 50th Anniversary. A few locations of touring included the Nationally known Motorcyclepedia Museum in Newburgh, NY. Then on down to the locally notorious Billy Joe's Ribworks on the Hudson River. Spending his undivided attention and time with our Colombia Blue Knights really makes for a beautiful connection internationally. At the time of this writing, Daniel and our Colombia Blue Knight brothers and sisters are at the International Anniversary Convention. Thank you Daniel, for being a great example of Blue Knighthood and of a true American.

Making connections here is always a surprise, due to the relocation of many New Yorkers. I recently joined the Carolina Border Shields and while at that meeting, met up with 2 Town of Newburgh Police Lieutenants that I've known for decades.

I have yet to connect with Oak Island Elks here locally and have made inroads to add another HOG membership with Beach House HOG at Beach House Harley Davidson.

Fran and I are planning on attending the HOG National Rally in the Wild and Wonderful, Charleston West Virginia next month.

Upcoming on our TSC calendar is the Annual Blue Ride on July 28th by PA XVI; Minisink Battle Run on August 4th by PA XXVI; The Suicide Run on August 9th to August 11th by NY II; The Wildwood Boardwalk Ride on August 25th by NJ V; The Lighthouse Run on September 7th by NY XV; The Ride to Remember on September 14th by NY X; Tri-State Conference Weekend to be held at the Georgian in

Lake George, NY on October 4th to October 6th by NY XXII and Frost on the Pumpkin Ride on October 6th by NJ XV. Please check your TSC Calendar online for further information.

*TSC Weekend items for sale to be found online at www.BKNY9.com

Until we meet again, stay safe and make those memories.

Roulez avec Fierce',

New York State Rep, Metro Area: Vinny Calderon, NY X

New York State Rep, North East: Steve Nieves, NY VI

Greetings Blue Knight Brothers and Sisters from Tri-State.

On Thursday July 18th, I had the pleasure to attend the NY XXIII chapter meeting in Dolgeville NY. What a great time catching up with Chapter President Jennifer Connolly, former Past President Duke and his wife Ling along with the members who make their chapter a great one. Thank you for the hospitality and I look forward to doing some riding with them in the coming weeks. On the way back home there was a full moon, how awesome to be riding while the road is lit by the moon.

It's just a few days away from heading north to Maine for the Blue Knights 50th Anniversary celebration, can't wait! I look forward to meeting up with so many friends from around this beautiful country and with friends from numerous countries I've come to know over the years. I'll be riding up with NYS Rep. Kevin Durawa. Our plan is to cover scenic roads along the way just to add some spice to the trip. Wishing everyone who plans to go safe travels up.

New York State Rep, North West: Kevin Durawa, NY IV

Greeting Blue Knights,

July started with sad news, the passing of our friend and TSC Chaplain James “Odie” Odenheimer. Condolences to Jeanne and the entire Odenheimer family. Please keep Jeanne in your prayers. I will miss reading his submissions to the TSC newsletter.

On July 13th I did attend the 16th annual Vietnam Veterans Memorial Highway of Valor tribute ride in Owego, NY, which is sponsored by BKNY17. I logged 365 miles that day. There were over 3003 bikes/riders and 3 private airplanes in attendance, covering 100 miles fully escorted with traffic control at all major intersections. Great job by NY17, the Vietnamese Veterans of America and all volunteers who helped to make this event possible and safe.

I did attend the Blue Knights 50th Anniversary Convention in Carrabassett Valley (Sugarloaf) Maine, July 21-26. What a spectacular event, in such a beautiful area of our great country. Had a chance to see some old friends, make some new friends and get in a few rides with some great people to some really neat places. Thank you Steve Nieves NY6 for joining me on my ride out to Maine, and Gerry/Sheila and Sharon/Eric all NY6 for bringing me back towards home. 2028 miles in total on this trip and I can't wait to do it all again.

Until next month Stay Safe and Ride With Pride.

New Jersey State Rep: Russel Davis, NJ XI

Pennsylvania State Rep: Pamela McClaren, PA XIII

Pennsylvania State Rep: Rick Vobis, PA XXVI

Pennsylvania State Rep: Mike Hoover, PA XXI

Greetings to all Blue Knights brothers and Sisters wherever dispersed

I must apologize from my absence from the site. I have not used my time wisely and therefore I will do better. Doctors appts and family issues have been at the forefront of my energies.

I was able to attend Odie's wake on Saturday Aug 13. The firehall was packed as I knew it would be. Odie was involved with so many interests, it no wonder it was standing room only. If given a chance to speak, I would of spoke about some of our conversations, one of them being the conversely around the Constables. I could put the phone down, go have a seven-course meal and return and Odie would still be talking. Odie knew how to talk. Most of all, I will miss Odie's section on the newsletter. He brought to truth through his message. I will miss that.

I was able to attend PAXVI monthly meeting on July 16 to meet with President Dave Richards and their gang. They are preparing for their big event on July 28th in Washington Pa. This is a combined event to benefit PA XVI Chapter and Washington Lodge #164, Masonic F&AM.

Offered any support that my chapter or the Tri State could offer, but they have been doing this event for a number of years and are proficient at it. Members were very gracious and after winning the 50/50 raffle, I donated back to the Chapter

Really bummed out my physical limitations, was hoping to go to the 50th in Maine, but it was not to be. Congrats to all who ventured the trip, I think the weather cooperated for the most part. I will be glad to hear all the stories that went on.

Will miss Odie

Safety Officer: Sal Salamone, NY XVI

7 Defensive Tactics for Motorcyclist

Sometimes, the best way to break a bad habit is to avoid forming it in the first place. This can be especially true for new motorcyclists, who require an extra degree of care and vigilance when first heading out on the open road. Whether by choosing the right apparel, inspecting your bike for mechanical issues or closely adhering to driving laws, you need a wide range of know-how to ensure your safety and the safety of the drivers around you. Here are seven tips for motorcyclists looking to develop good defensive driving habits from day one.

1. Maintain Your Ride

When it comes to driver safety, a motorcycle is much less forgiving than a car. Blow a tire in an SUV and you can easily maneuver the car off the road. Blow a tire on your bike and it can quickly become a matter of life or death. That means it's extra-important to make sure your bike is in perfect working order every time you ride. Before each trip, check your oil and fluids, belts, brakes and tire pressure.

2. Wear The Right Protective Gear

Your protective gear is an extension of your bike's safety features. Always choose an outfit that fully covers your body. No shorts and no sandals. In the event of an accident, you'll be surprised how a layer of leather or denim can make the difference between a few scratches and an extended hospital visit. And choose accessories like goggles, boots and gloves that are specially made for motorcyclists, as these will preserve your full field of vision and range of motion. And of course, **always wear a helmet**. Even if your state doesn't require it, there's enough statistical evidence to prove that helmets save lives.

3. Look Around

New motorcyclists tend to focus on a single spot on the road in front of them. Get in the habit of checking your mirrors and looking to your sides and far ahead to anticipate changes in traffic patterns. Defensive driving means giving yourself the time and space to react. You can't do that if you're unaware of your surroundings.

4. Know Your Route

On a related note, make sure you know your route ahead of time. If you're driving in an unfamiliar location, take the time to look at a map and memorize the basic directions. Although you can "feed" audio directions from your GPS into your helmet, a little pre-planning will let you focus on the business of safely driving your motorcycle.

5. Stay Educated

If you're unsure about certain driving laws, you're travelling to check the state or country where the laws may be different, take the time to educate yourself. Driving-tests.org has several **state-specific exams** that can help get you up to speed. And it can never hurt for more experienced motorcyclists to have a little refresher.

6. Be Confident

Hesitant, indecisive drivers are unsafe drivers. They make sudden unexpected maneuvers and force other drivers to react suddenly. Motorcyclists need to **be assertive**, whether by creating a car-free bubble by speeding up or braking in traffic or by staying close to other vehicles as you pass through stoplights to shield you from left-turning traffic in the opposite lane.

7. But Never Aggressive

Avoid aggressive maneuvers like sudden and un-sigaled lane changes or impatient acceleration and deceleration through heavy traffic. This only creates an opportunity for accidents. Remember, defensive driving is about sharing the road but also having the skill and patience to control your small part of it.

Blue Knights® on the Lake / Blue Knights® at Georgian Lakeside Resort

384 Canada Street
Lake George, NY 12845
518-832-3886

New York XXII had our second year hosting the Blue Knights on the Lake event in Lake George, NY was, reportedly another huge success!

There were some reports from our guests some minor problems that will be considered, but all in all, it was a hit! The week of Americade is usually littered with rain throughout the week. Again this year, we had some GREAT WEATHER! As some may remember, last year we were hit with some RIDICULOUSLY hot days! This year the weather was gorgeous! The weeks running up to this event was not looking too good, but we lucked out! The Americade Motorcycle Rally, which is always held in Lake George, the same week also was a hit!

From now on, we will be known as- Blue Knights at Georgian Lakeside Resort.

We were a little trepidatious about the hotel being ready for the event, due to their renovations ongoing, but they did a fantastic job! Each of our guests were afforded a FREE commemorative T-Shirt with each room booked by the hotel! We also had shirts that could be purchased at a low cost of \$20.00 each. As our guests were registering with the hotel, we had members greeting everyone and getting their names, addresses, phone numbers and email addresses for us to directly inform them of what to expect from now on. A small handout bag was given to each room with free items to enjoy.

Everything really picked up for our guests on Thursday, when the hotel offered a free drink and Hors D'oeuvres that kicked everything off! We had a small video that was built by Ralphie Ferrer of NYIX to start the night off with a BANG! After that, everything was moved to the pool deck area. 50/50 drawings began that night and ran through Friday. Several winners walked away with hundreds of dollars!

Friday morning, we offered a bike blessing that our very own Chapter Chaplain- Carla Snyder officiated. There were about 20 bikes that took part in it. Great job Carla! After that there was an impromptu ride that went up to Ticonderoga, NY to the Star Trek Museum, then for lunch and back. Also, several others took a ride through the Adirondacks to Saranac Lake, NY. One bike had mechanical problems and they asked the Saranac Lake Police if they could store the bike there until it could be picked up. They were more than gracious to allow us to do that!

Friday night starting at 5pm, the Georgian(hotel) was taking guests money for our BBQ dinner held at the pool area. A brief ceremony was held in the banquet hall and the Pick a Prize drawing was conducted. We had Randy Jolicoeur and Debra Jean returned again this year to play and sing to our guests. The fireworks, put on by the Americade again this year, was directly on the water and the view was spectacular!

Saturday, some of the guests were either going home or preparing to go home. The day and evening were free for them to go and have fun downtown during the Americade or dine on their own, then come back and have special drink pricing that was offered all week, at the Cabana Bar near the pool.

Sunday, for the most part, was saying our good-byes until next year!

At this time, I would like to thank our Committee members for their hard work and dedication to getting this event ready. From NYXXII- Al Colvin and his wife Mandy, Dave Snyder and Carla Snyder, Pete Lindsey and his wife Peggy, My wife, Deb McCotter and Bill Powell. From other chapters were- NY2 Curtis Whitehead, NYIX Ralph Ferrer, NYXXX Thor Ron Johnson and PAXXVI Rick Vobis. These people plus numerous others from our chapter really made this event a huge success!

I would be remiss if I did not acknowledge the friendship and constant consultation of a special friend from Maine. This lady is the epitome of what the Blue Knights is all about! She has been a friend of mine for 30 years and hope to keep her as such for another 30 years! Thank you for all your knowledge and experience- **Pam Poisson!**

We hope to see everyone next year! You can expect changes in the years coming!

Our motto- “For Blue Knights, By Blue Knights”
